AGS COMPASS™

EXECUTIVE TRAVEL RISK & READINESS ASSESSMENT

HELPING YOU NAVIGATE THE ENVIRONMENT BEFORE YOU *ENTER IT.*

Destination intelligence with operational purpose — built for family offices, corporate executives, and the protective teams who move them.

INTELLIGENCE • PREPARATION • PROTECTION

TRAVEL READINESS, BUILT ON ACTIONABLE INTELLIGENCE

Private travel rarely follows a predictable pattern. AGS COMPASS™ delivers a destination specific assessment of the operating environment **before movement begins** — turning current, sourced information into clear risk ratings, visual analysis, and protective recommendations your team can act on immediately — then keeps watch through our 24/7 Global Security Operations Center for the duration of the trip.

WHAT EVERY ASSESSMENT DELIVERS

DESTINATION THREAT PROFILE

Thirty-day intelligence lookback covering crime, civil unrest, terrorism, organized crime, and geopolitical developments.

TRAVEL & ROUTE READINESS

Airport restrictions, private aviation considerations, route exposure, ground movement, and secure transportation.

INFRASTRUCTURE & COMMS

Vetted medical resources, weather and health conditions, internet and cellular reliability, and emergency support.

PROTECTIVE RECOMMENDATIONS

Threat matrix, heat maps, mitigation measures, contingency options, indicators, and escalation triggers.

30-DAY INTELLIGENCE LOOKBACK | VISUAL RISK ANALYSIS | GLOBAL DESTINATION COVERAGE | BRIEFING-READY DELIVERY

24/7 GLOBAL SECURITY OPERATIONS CENTER

Coverage continues while your principals are moving.

PERSISTENT THREAT MONITORING
Continuous open-source coverage across media, incident feeds, social platforms, and the deep and dark web.

NEAR REAL-TIME ALERTING
Emerging threats, unrest activity, and destination changes pushed to travelers and protective teams as conditions develop.

GLOBAL RESPONSE COORDINATION
Live analyst support, defined escalation paths, and coordination with vetted in-country resources at any hour.

WHY FAMILY OFFICES CHOOSE COMPASS

- **Absolute discretion.** Confidential and name-protected, delivered directly to the principal or their designated advisor.
- **Documented duty of care.** A written record that risk was assessed before travel — useful to counsel, trustees, and insurers.
- **Built for how families travel.** Private aviation, accompanying family and staff, mixed business and leisure itineraries.
- **Assessment plus oversight.** Pre-departure intelligence, then live monitoring in transit.

HOW IT WORKS

1. **SHARE THE ITINERARY**
   Destinations, dates, travelers, sensitivities.
2. **WE ASSESS**
   Analysts build the profile, ratings, and visual analysis.
3. **YOU RECEIVE COMPASS**
   Briefing-ready, with prioritized recommendations.
4. **WE MONITOR AND STAY REACHABLE**
   GSOC coverage, alerting, and escalation support.

ASSESS THE DESTINATION. PREPARE THE TRAVELER. SAFEGUARD THE JOURNEY.

Schedule a confidential consultation for executive travel risk and readiness support.
